

■ Educational Goal

■ 教育目標

■ We respect the human rights of each student. We carry out Special-Needs Education which is suitable for different types of disabilities. We aim to nurture our students so that they will achieve social independence and participate in society by developing their personalities and cultivating a rich humanity and sociability.

■ 生徒一人一人の人権を尊重し、障害の特性等に応じた専門的な教育を推進するとともに、個性を伸長し、豊かな人間性や社会性を育み、自立し社会参加できる生徒を育成します。

■ We support students in choosing a career field by helping them develop healthy attitudes toward work. We nurture students with knowledge and skills necessary for work so they will become citizens who achieve independence and make a good living.

■ また、豊かな勤労観、職業観を養うなど、生徒のキャリア形成を支援し、就労に必要な基本的な資質・能力を養い、地域社会の中で自立し、生涯にわたって心豊かに生きていく人間を育成します。

■ Therefore we carry out the following missions:

- To cultivate their minds and develop healthy bodies.
- To develop their abilities to think by themselves and to take independent action.
- To cultivate their attitudes and develop a normative consciousness and zest for living.
- To teach students knowledge and skills necessary for their careers.
- To develop students who will contribute to society by nurturing their behavior and sociability.

■ そのために次の目標を掲げます。

- 健康で豊かな心と丈夫な体を育てる。
- 自ら学び、自ら考え、主体的に行動する力を育てる。
- 豊かな情操をはぐくみ、社会性や規範意識を育てる。
- キャリア形成を支援し、企業就労に必要な基本知識・技能・態度を育成する。
- 社会の一員としての自覚を育て、地域社会に貢献しようとする意欲や態度を育成する。
