Tokyo Metropolitan Minamioosawa Gakuen

- Curriculum
- 教育課程
- Compulsory subjects: Students develop fundamental skills necessary to actively engage in their future working life. Japanese language, social studies, mathematics, science, music, art, P.E., vocational classes, home economics, English, and information studies are the compulsory subjects. Some classes are divided according to student's competence.
- 普通教科:国語・社会・数学・理科・音楽・美術・保健体育・職業・家庭・英語・情報の各教科において職業生活に必要な基礎的な力を付けます。教科によっては習熟度別学習に取り組みます。
- In the Vocational classes, we provide students with knowledge necessary for them to select their career paths. They learn about subjects such as: "reason to work", "business customs", "conditions of employment", "prior and post learning about internships", and "how to spend their leisure time".
- 特に「職業」では、進路選択に必要な「働く意義」「ビジネスマナー」「労働条件」「インターンシップ事前学習・事後学習」「休日・余暇の活用法」などについて学習します。
- In the Career education class, we nurture students with communication skills for working so that they can get a steady job.
- キャリアガイダンスの時間では、安定した職業生活を図るために職業における表現能力や対人関係 能力を育成します。
- Vocational courses: Students learn vocational knowledge and skills needed to get employment.
- 職業に関する教科:専門的な職業能力を育成します。
- In their first year, students try out in all five courses: building cleaning course, ecology service course, logistics course, welfare course, food service course.
- 1年次は、ビルクリーニング・エコロジーサービス・ロジスティクス・食品・福祉の5コースを生徒 全員が体験します。どのコースも「トライアル実習(企業の要望や職業環境等を視野に入れた校内模 擬現場実習)」を行います。
- ■When entering their second year, the school offers five elective courses, one in each of the five future career fields. They learn technical skills and knowledge.
- 2・3年次は、生徒の特性に応じて5コースのいずれかに所属し、専門的な学習を行います。
- In their first year, each student takes part in the short-term internship programs that are provided by cooperating local companies. In their second and third years, students pick their desired internship programs that they want to study further in order to get employment after graduation.
- 1 年次では、企業等と連携したインターンシップ (就業体験)、2・3年次では卒業後の企業就労に 向けた産業現場等における実習 (現場実習)を行います。
- Extracurricular activities: There are class activities, student council, school events, and so on.
- 特別活動:ホームルーム活動・生徒会活動・学校行事などがあります。
